PRODUCT BROCHURE 10-24

Defendoor SAVER RANGE

304 Stainless Steel | DVA One Way Vision | Perforated Aluminium

DEFENDOOR SAVER RANGE

The Defendoor SAVER range of barrier screening products are a cost effective solution for customers looking for a product in between fly mesh screens and security rated products.

Perfect for standard and wide span insect screening where strength is desired, but a security rating is not required.

Available in a range of standard powder coat finishes and meshing options the Defendoor SAVER range of products can be colour matched to suit existing features of the home or business.

LOCKING SYSTEMS

Defendoor SAVER range of screen doors are fitted with quality Alspec locks and cylinders.

Alternative locking systems are available upon request as are three point lock kits.

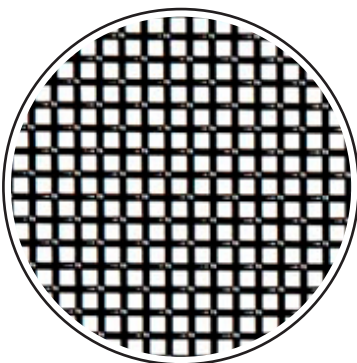

Heta Hinged Door Lock

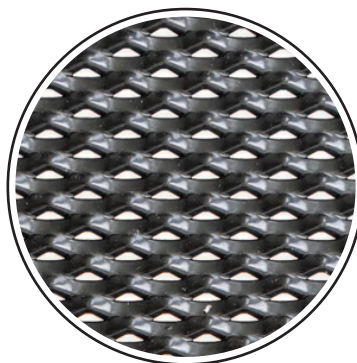

Heta Sliding Door Lock

MESH OPTIONS

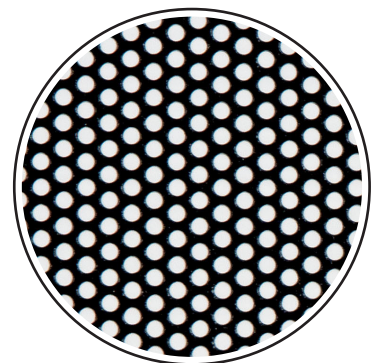

The Defendoor SAVER range of products offers three mesh options:

304 Stainless Steel

DVA / One Way Vision

Perforated Aluminium
